
Kelsey Comfort

Executive Assitant to the CEO

Kelsey Comfort joined CPCD in 2019. Originally from Lincoln, Nebraska, Kelsey graduated from the University of Nebraska-Lincoln in 2014 with a double-major in English and journalism. Kelsey came to Colorado in 2015 as a part of the AmeriCorps VISTA program. Through AmeriCorps, she was placed with a small non-profit where some of her duties included: social media management, event planning, managing various fundraising efforts, scheduling, writing articles and promotional materials, and more.

After her AmeriCorps contract ended in 2017, Kelsey spent almost two years in the financial industry. During this time, Kelsey managed all of the administrative practices, including processing all paperwork, for an office of 16 financial advisors.

Kelsey is incredibly excited to be back in the non-profit industry. In her spare time, Kelsey enjoys film (she was an intern at the 2013 Cannes Film Festival), reading, live music, and the many outdoor activities Colorado has to offer.
